Dear [Name],

We are continuing our **2026 Adaptive GBS LIONS' TALKS** series, bringing together GBS leaders for focused conversations, practical insights, and an exchange of perspectives on the developments shaping the future of the industry.

We are pleased to invite you to the next edition:

GBS Lions' Talks: GBS BEYOND BARRIERS How Operations and IT Prepare for What Comes Next

8 October 2026 | 16:00

Arla Foods

Nad Stawem 3, Gdańsk

Attendees will discover how GBS operations teams are breaking traditional delivery bottlenecks by building their own custom tools, automation, and AI workflows directly at the process level.

The sessions will show how IT steps in as a strategic enabler, establishing robust

governance, security, and architectural guardrails to safely deploy and scale these business-built solutions across enterprise infrastructure.

Join us for another opportunity to connect with fellow GBS leaders and explore the challenges and opportunities shaping our industry.

REGISTER NOW

We look forward to seeing you in Gdańsk!

Best regards,

Adaptive Solutions & Advisory Group
